SAFETY & SECURITY

Guardian garage door openers are manufactured to comply with the latest industry standards. Our advanced electromagnetic wave sensor detects motion from inside your garage to activate the courtesy lights, making your garage even more secure. Smartphone control enabled with the beam Home app.

CLEARCOM® TECHNOLOGY

Your secure code is communicated to your opener over multiple frequencies. This provides a more reliable response when frequency interference is near.

OPTIONAL CONVENIENCE ACCESSORIES

Ask your dealer about adding more convenience and control with your new operator.

beam Smart Controller

CONTROL FROM YOUR SMARTPHONE
Control your garage door from your smartphone with the beam Home app. Auto close control. Plug & play design. **Model # V3**

Wireless Keyless Entry Keypad

NEVER BE LOCKED OUT
An entirely weatherproof, wireless keypad that allows quick and secure access to your garage door. One keypad can control multiple Guardian garage door openers. **Item # WKCC**

Deluxe 3-Button Remote Control

FOR MULTIPLE DOORS
Compact modern design, comes with a visor clip. Controls up to three Guardian operators. **Model # D3B**

Door Control Console

MORE CONVENIENCE
Add a second control console to open or close your door from another location in your garage. **Model #1-FDCC**
