PROSeries

SAFETY & SECURITY

Guardian garage door openers are manufactured to comply with the latest industry standards. Our advanced electromagnetic wave sensor detects motion from inside your garage to activate the courtesy light, making your garage even more secure. Smartphone control enabled with the beam Home app.

CLEARCOM® TECHNOLOGY

Your secure code is communicated to your opener over multiple frequencies. This provides a more reliable response when frequency interference is near.

OPTIONAL CONVENIENCE ACCESSORIES

Ask your dealer about adding more convenience and control with your new operator.

BATTERY BACKUP POWER SUPPLY

Ask your dealer about adding more convenience and control with your new operator.

- Non-spillable lead-acid battery
- Status Indicator LEDs
- 2-year effective battery life
- ~300 use cycles*
- Charge time: 24 hours (trickle charge in holster)
- Power for ~20 cycles after 12-hr standby*
